

Introducing the new Afterschool Program Provider, ICES Education

Inspiring Caring Exciting Stimulating

Dear Parents/Guardians,

We are excited to be your new after-school program this 2019-2020 school year at all of the schools.

In addition to homework assistance and sports, we offer students hands-on learning opportunities that extend beyond the school day such as STEM, music, visual & performing arts and much more. All aspects of the ICES Education organization, curricular, and enrichment programs are child-centered and designed to accommodate individual learning styles. Our team joins the parents and community to assist the students in developing necessary skills to become independent and self-sufficient adults who will succeed and contribute responsibly in a global community.

To register online, please go to www.iceseducation.org and look out for the AESD **REGISTRATION** link, or simply fill out the paper registration form attached!

We look forward to serving you in the coming year!

If you have any questions, please contact our ICES Adelanto Team noted below!
